SUMMER-TIME IS HERE, SO ENJOY ACTIVITIES IN THE PARKS!

We at the Greencastle Parks & Recreation Department would like to welcome everyone to a fun-filled summer in the parks. We have many activities scheduled this summer that we feel you will enjoy. From our swimming at the Greencastle Aquatics Center, training at the Police Boot Camp, participating in the S.P.A.R.K. Program, running trains with the Pacific & Eastern Model Railroad Club at the Putnam County Museum to attending the Parkfest Summer Concert Series at the new band shelter in Robe-Ann Park, there are a lot of fun activities offered this summer. We would like to continue promoting our wonderful programs with this 4-page leaflet, with our Fall & Winter Activity Brochure available in August. When you receive this, we hope that you would post this on the bulletin board or refrigerator at home and re-view it often. If you should receive more than one copy and instead of tossing it in the recycle bin, please pass it on to someone else, another family member or friend who may not have received it. Thank you!
